ENDORSED ORDER denying [76] Defendant's Opposed Motion to Continue Trial. This case was specially set, at the defendant's request, for trial on Monday October 25, 2010. Defendant filed this motion on Saturday, October 23, 2010, just two days before trial was scheduled to commence and after plaintiff spent considerable time preparing for trial and arranging for out-of-state witnesses to be present for trial. Given the eleventh-hour nature of the motion, the court denies Defendant's request for a continuance. Signed by Judge Daniel T. K. Hurley on 10/25/2010. (jsg)
